For the Semi-Centennial Year.

The Kansas State Historical Society must have 1000 members for the Year ending June 30, 1911.

The only application necessary is your check for one dollar or ten dollars, as you may elect.

The Legislature of 1909 said: "The Kansas State Historical Society is the custodian of one of the largest and most valuable collections of original historical material in the United States."

Note the patriotic citizenship included in the list of members, and the number of remarkable history makers in the list of ex-presidents who have been interested in its work.

A magnificent home is being prepared for this work and its results.

The following counties are not represented in the membership list:

Anderson, Chautauqua, Cheyenne, Cloud, Coffey, Comanche, Crawford, Doniphan, Elk, Ellsworth, Finney, Gove, Grant, Gray, Harper, Haskell, Kingman, Logan, Miami, Montgomery, Morton, Nemaha, Norton, Ottawa, Pratt, Rice, Rooks, Scott, Seward, Sheridan, Sherman, Stafford, Stevens, Wallace, Wichita.

You are cordially invited to become a member. The earnest cooperation of teachers and others associated with our school system is very much desired. Speak to some patriotic and enthusiastic Kansas neighbor about this.

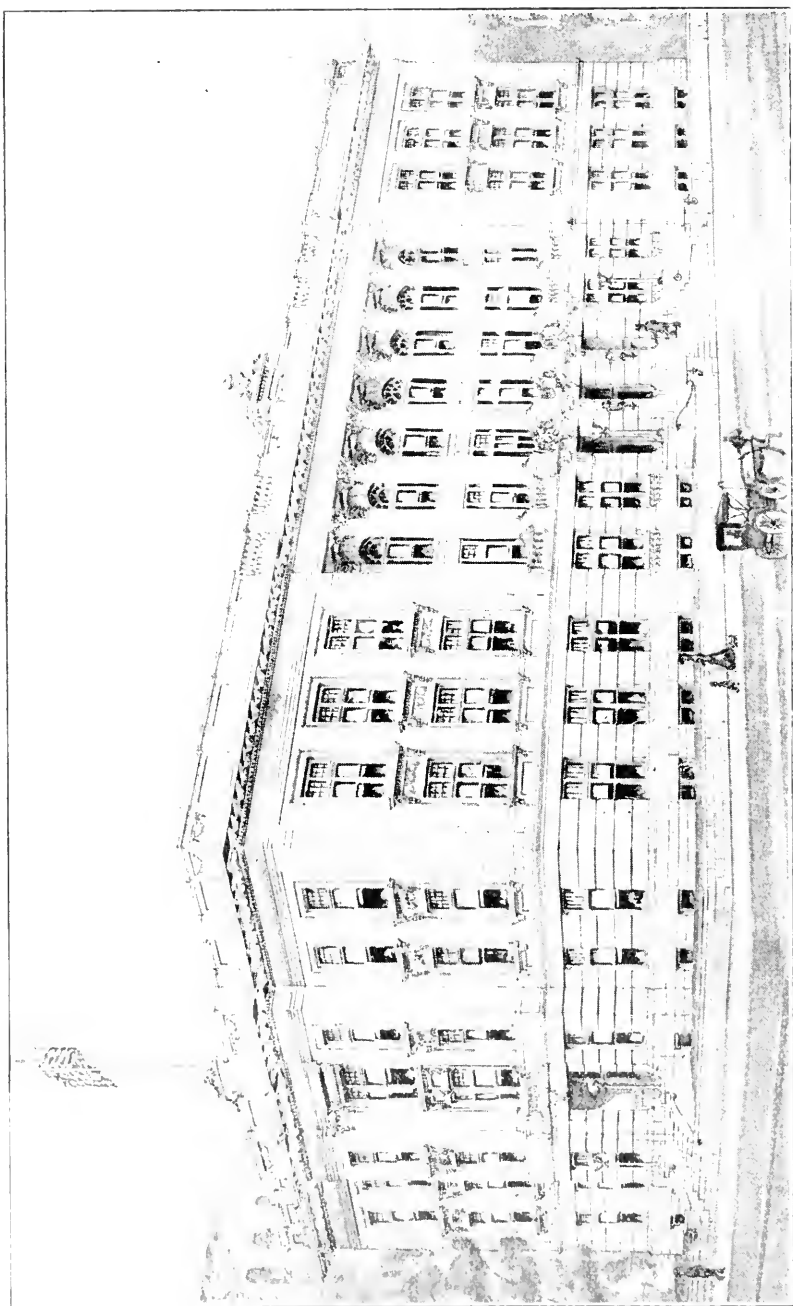

OFFICERS.
